M (P.W.)
The levy of licence fees in this matter will be a real hardship.

Karkala, S.K.
25th November 1952.

DEPUTY SECRETARY TO GOVERNMENT
12 DEC 1952
PUBLIC WORKS DEPARTMENT

Memorandum submitted by the citizens of Karkala Town to The Divisional Engineer, Highways, South Kanara Division, Mangalore, S.K.

MINISTER FOR PUBLIC WORKS
12 DEC 1952
GOVT. OF MADRAS

FOR HEALTH
106301
10 DEC 1952
Sir:
GOVERNMENT OF MADRAS

Subject: Licence Fees for Drain coverings on the Mangalore/Udipi Highway passing through Karkala Town.

Levy Notices served by the Tahsildar, Karkala.

We, the citizens of Karkala Town lay before you the following facts in connection with the above mentioned subject for your kind consideration.

13 DEC
PUBLIC WORKS DEPARTMENT

A. The highway connecting Mangalore and Udipi passing through the main bazaar of Karkal town is narrow and the width of the same varies from 20 ft to 30 ft. throughout the length it passes the town. The drains on either side of the highway which are about 2 ft. to 4 ft. in width are at some places as deep as 4 ft. The granite slabs covering these drains have been in existence since the time the buildings in front of which they are laid, are constructed. In some cases these slabs have been in existence for the last 100 years. From these olden times these slabs have served as public foot-paths on either side of the main road which is so narrow as it passes the bazaar that if two lorries or buses were to pass each other, the pedestrain has no other go than to step down into the drain to save himself.

B. During rainy season, the amount of water passing through these drains is sometimes so large that it overflows on the road and but for these slabs covering them, these drains would have been a source of grave danger to pedestrains more especially to children who pass along the road. Also it will be very dangerous for the cattle. Nor is it possible in the rainy season to step down into the drain. Lastly the highway passing through the bazaar has been used as a Car Street for over 100 years and during festivals and Utsavams, these drains if left uncovered would be a serious menace to public safety.

C. We therefore submit that these drain coverings have been laid not with a view to encroach on the highway, but to fulfil to a large extent the necessity of foot-paths on either side of this main road through which very heavy traffic passes day and night. We pray that the Divisional Engineer may be pleased to inspect the same if necessary, and verify the above facts and rescind the levy as we earnestly feel that the levy is not just.

Some of the undersigned have been served notices to pay licence fees for the last three years (1949-52). No notice to remove the encroachment has been

p.t.o.

served on them at any time and as such this demand without notice and with retrospective effect is not proper. We strongly feel that the above demand in the circumstances explained above is unjust, and pray that the Divisional Engineer, Highways, upon consideration and investigation of the facts mentioned above may be pleased to rescind the levy in the interest of the safety of the public and of the school going children in particular.

Any communication in this connection may be addressed to Sri.K.P. Mukunda Prabhu, Member, Panchayat Board, Karkala, S.K.

Thanking you,

Yours Faithfully,

K.P.Mukunda Prabhu.

2.Bds. Ref.No.A/129/53-2 Dated 7.3.53.

...

The Divisional Engineer, Mangalore has reported that the road under reference within Karkal town limits, is narrow and that the drains are not covered throughout. He has also reported that there are gaps where there is no access to house entrances and that they cannot be considered as regular foot paths for pedestrains.

In the circumstances and as the covering have been for a long time, I would suggest that some concessional rates may be levied by the Revenue Department for this encroachment.

Sir;

Encroachments - Road margins - South Kanara District - Licence fees for drain coverings - On Mangalore Udipi Highway Road - Passing through Karkal town -Petition from the citizens of Karkal town - Report submitted.

....

Ref: From the Board of Revenue Ref.No.A.129/53-2 dt. 7.3.53 and dt.4.4.53.

....

This is a petition from the residents of Karkal Town, addressed to the Divisional Engineer (H) South Kanara and copied to the Minister for Health, Government of Madras. The petitioners represent that the drain coverings on which licence fees are demanded have been in existence for over 100 years, that these drain coverings are essential for the safety of the users of the adjoining road which is narrow at certain places and that the drain coverings may be exempted from payment of licence fees. In his letter No.1328/D1/53 H.R. dated 2.5.53 to the Board of Revenue, Chief Engineer, Highways, has said that the drain coverings have been there for a long time and that the licence fees may be levied at concessional rates.

2. The drain coverings which are as many as 95 in number lie on the ~~side~~ side of Mangalore-Karkal-Udipi Road which is under the control of the Highways department. They are situated within the jurisdiction of the Karkal Panchayat (Major Panchayat) and their age is reported to be ranging from 1 to 50 years. An eye-sketch showing their location is enclosed. According to the instructions contained in G.O.No.3306 P.W.D. dt.6.11.47 the encroachments on the sides of the road which are under the control of the Highways Department have to be controlled by the Revenue Department and the revenue derived therefrom has to be apportioned between the Government and the local body concerned, agreeably to the instructions contained in B.P.Misc. 1695 dated 24.12.48. A copy of the schedule of rates

prescribed for several categories of encroachments is enclosed for ready reference of the Board of Revenue. Further it is laid down in the G.O. that the financial arrangement involved will have the retrospective effect from 1.4.1946 the date on which the main roads were transferred from the control of Local Boards to Government and the Highways Department was constituted. In consequence of this arrangement, notices were served on the encroachers to pay the licence fees at scheduled rates including the arrears, if any beginning from the year 1946-47. The present petition is the sequel to the issue of notices.

3. A licence fee of 0..8.0 per yard or fraction thereof per annum is being charged for each drain covering and this fee cannot be considered as excessive and noe cases of hardship can be imagined. The petitioners however, do not seem to object to the quantum of fees charged but they object to the very principle of levy of licence fees in view of the fact that these drain coverings have been there from a long time to the advantage of the users of the roads which are very narrow at certain places and that if these drains are left uncovered, they would be a serious menace to the Public safety. The petitioners seek to establish that the drain coverings have been put up by them or their predecessors in the interest of public safety, than for gaining access to their shop or house entrances. On this ground the total exemption from levy of licence fee is sought by the petitioners.

4. It is true that some of the drain coverings are about 50 years old and that the road at certain places is narrow. But the drain coverings do not exist through the length of the road, even at places where there should have been coverings for the safety of users of the road, the drains are left uncovered. It is obvious that the existing drain coverings have been put up to gain access to houses and shop entrances and not in the interest of public safety as contended by the petitioners. Further, the difficulties

expressed by the petitioners are not peculiar to Karkal town alone. There may be similar cases in other panchayat areas, and more so, in Municipal areas. There are no special grounds for showing any concessions to Karkal town.

Yours faithfully,

M. Ramachandraiya
8.9.53

For Collector.

AM/7.9.53

Notification.

It is hereby notified for the information of the general public that the Dt. Board of South Kanara, in exercise of its powers under section 212 of the Madras Local Boards Act 1920 as amended has in its resolution No 59 dt. 19.7.44, in supersession of the Dt. Board Resolution. o 48 dt. 27th May 1942 fixed licence fees and penalties as set out in the schedule below on (1) all projections and erections required to be licenced under section 160(1),(2) on leases granted under subsection 160 (3) and on unauthorised occupation of lands under sub section 164 (1) in respect of all lands either vested in or belongi to the Board of the said Act, with effect from 1st April 1945.

P.T.O

(ii) LAYING PIPE LINES OR CONSTRUCTING IRRIGATION CULVERTS: Re.0.4.0 per running yard subject to a minimum of Re. 1.0.0 per annum.

(iii) PRIVATE ROAD WAY EXCLUDING DRAIN OVER ROAD :- Re. 0.0.6 per Sq.ft. subject to a minimum of Rs 2.0.0 per annum.

(iv) OTHER PURPOSES, except for cultivation which is prohibited as per G.O.No 52 dt. 5.1.28) whether remunerative or otherwise - Re. 1-0.0 per 100 Sq.yards or part thereof per annum, subject to a minimum of Rs 2.0.0

2. LEASE RENT IN RESPECT OF " GROW MORE FOOD CAMPAIGN": Rs 0.4.0 per 100 yards or part thereof per annum subject to a minimum of Re.1.0.0

III PENALTIES (Under section 164(1) of the M.L.P Act)
(i) For all cases of unauthorised occupation (except for putting up unlicenced pandals, drain coverings and steps) - Rs. 3, 0.0

(ii) FOR UNAUTHORISED DRAIN COVERINGS AND STEPS: Rs.2.0.0.
NOTE: No penalty can be fixed for unauthorised pandals.
NOTE: In calculating the licence fees, lease rents and penalties as per the above schedule of rates fraction of an anna up to 5 pies should be ommitted and six pies or more should be treated asone anna.

To A.S.

pp 1-3 cf

In their petition dt.25-11-52, certain residents of Karkala town in S.Kanara Dt. have requested Govt. to rescind the orders served on them to pay licence fees on the drain coverings put up by them on either side of the Mangalore-Udipi road passing thro' the main bazaar of Karkala town. The reasons adduced by them on this behalf are given below:-

A' on p. 1 cf

(1) The granite slabs covering the drains have been in existence for the past 100 years.

B' on p 1 cf

(2) The drain coverings are essential for the safety of the users of the adjoining road which is narrow at certain places,

C' on p 1 cf

and(3) These drain coverings have been laid not with a view to encroach on the Highway but to serve as a public footpath on either side of the main road through which very heavy traffic passes.

p 3 cf

2. The C.E.(H) who was asked to submit a report thro' the Bd. of Rev. has reported that the road under reference within Karkal town limits is narrow, that the drains are not covered throughout and that there are gaps without acc

p 9 cf

house entrances and that they cannot be onsidered as regular footpaths for pedestrains. e has however suggested that as the coverings ave been there for a long time some concessional rates may be levied by the Revenue Department for these encroachments.

With reference to the orders in G.O. No.3306 P.W. dt.6-11-'47 the Rev. Deptt. has to control the encroachments and lease the margins in respect of Govt. roads outside the limits of municipalities and ~~that~~ it has also to collect the income from the lease of road margins. The Rev. Deptt. has also to collect licence fees on these encroachments retrospectively with effect from 1-4-~~46~~ and pay ~~the~~ half of the gross income to the Dt. Bd. or panchayat Board in whose jurisdiction the roads lie.

In the present case the Collr. has reported that the Highways Deptt. road lies within the Karkal Panchayat limits and that there are as many as 95 dfain coverings. It is reported that some of them have been in existence for about 50 years while others have been put up only recently. The Collr. has also reported that in pursuance of the ~~in~~structions in G.O.No.3306-P.W. dt. 6-11-'47 he has levied a licance fee of ~~Rs~~ 0-8-0 per sq. yard or fraction thereof per annum and he has served notices to the encroachers to pay this licence fees at shheduled rates including arrears, if any, beginning from the year 1946-47. The Collr. has remarked in this connection that the petitioners do not seem to object to the quantum of fees charged but to the principle of levying fees for these drain coverings which have been put up by them or their predecessors more in the interests of public safety than for gaining access to their

G on p 2 of

shops or house entrances, In regard to this the Collr. has ~~pp~~ pointed out that though some of the drain coverings are about 50 years old, there ar no drain coverings at places where they are quite necessary and essential for the safety of ~~public~~ pedestrains and that in view of this it is quite apparent that the existing drain coverings are put up only to get access to shop or house entrances and not in the interests of public safety as contended by the petitioners. He has also pointed out that difficulties pointed out by the petitioners are not peculiar to Karkal town alone and that there are no special grounds for showing any concessions to Karkal town. The Bd. of Rev. agreds with the Collr. and considers that the petition does not deserve any consideration.

H on p 2 of

This Deptt. may also agree with the Bd. of Rev. as the ~~port~~ Govt and the Karkal Panchayat Bd. can illafford to lose any income that is legitimately due to them.

X

In the circumstances the petitioners may be informed that their request to exempt them from payment of licence fees for drain coverings put up by them cannot be complied with.

P.W. (A 3)

The proposal in this file relates to the request of certain residents of Karkala town in S. Kanara Dt. for rescinding the orders served on them to pay licence fees on the drain coverings put up by them on either side of the Mangalore Udipi road passing through the main bazaar of Karkala town.

pp 1-3 ck
3753

The case has been explained in detail in the typed notes on pp 1.3 ante. This Dept. propose not to comply with the request of the petitioners. H.E. & L.A., Rev. and Finance agree with this Dept.

A draft Memo is accordingly submitted.
